

Daniel is pumped to be a part of this year's festival. Working primarily in TV / Film, Daniel loves the opportunity to get on stage with such a talented theatre crowd. Previous LA theatre credits include *Urinetown* at Cupcake Studios and *Carrie That Tune* at the Avery Schreiber Theatre. Currently in production, Daniel is working on a few indie projects and with Safety Patrol Comedy on YouTube. Much love and thanks to Theatre TCU, The Huron Playhouse, and family/friends.
